

### GUIDELINES

#### LENGTH:

- 1500-2600 words  
You may want to consult the editor about length and topic ahead of time.

#### MANUSCRIPT REQUIREMENTS:

- Email article to editor at [dave@fiorecommunications.com](mailto:dave@fiorecommunications.com)
- The editor reserves all rights to edit your article. If time permits, the editor will review edits with the author, or print as edited.
- Include a photo of the author as well as a short bio (up to 100 words).

#### PHOTOGRAPHS:

- Photos must be high resolution, 300dpi at the size they will be printed. Any lesser resolution will not be accepted. Converting a 72dpi resolution photo to 300dpi at the same size will not be accepted.
- Photos must be clearly marked and **MUST** correspond to text. Photos must be referenced in the text as they are numbered, i.e., Figure 1, Figure 2, etc.
- If unable to furnish photos, please furnish on a CD or zip disk. The names of the documents on the disk must be clearly referenced, i.e., "1smith.tif". It is preferred that the number of the photo precedes the name of the author. Print photos can be accepted, but are not preferred.

**If you have a question about format, please contact the editor before sending.**

#### FORMAT:

- Please furnish a word processed document.
- All **charts** should be furnished as part of the word document, accompanied by a high resolution printout OR as a jpeg, eps or tiff files ready for layout. Set up black/white, grayscale, 300dpi. If line art, set up as 1000 dpi. We do not accept Power-Point files.

#### DATE OF PUBLICATION:

- Date of publication depends on space availability and review schedule. Check with the editor if you have a question on publication date.

#### FOCUS:

- Technical information is very important. Any practical information for pharmacists is important. Any footnotes or references must be recent and the most current available.

**Thank you for your interest  
in contributing to the FPA Journal.**
